

# Eye Of The Beholder - Bonus Song

## In Flames

Do you see what I see?  
Truth is an offense  
Your silence  
For your confidenceDo you hear what I hear?  
Doors are slamming shut  
Limit your imagination  
Keep you where they mustDo you feel what I feel?  
Bittering distress  
Who decides  
What you express?Do you take what I take?  
Endurance is the word  
Moving back instead of forward  
Seems to me absurdDoesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I sayIndependence limited  
Freedom of choice is made for you my friend  
Freedom of speech is words that they will bend  
Freedom with their exceptionDo you fear what I fear?  
Living properly  
Truths to you  
Are lies to meDo you choose what I choose?  
More alternatives  
Energy derives from both  
The plus and negativeDo you need what I need?  
Boundaries overthrown  
Look inside  
To each his ownDo you trust what I trust?  
Me, myself and I  
Penetrate the smoke screen  
I see through the selfish lieDoesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I sayIndependence limited  
Freedom of choice is made for you my friend  
Freedom of speech is words that they will bend  
Freedom with their exceptionDo you know what I know?  
Your money and your wealth  
You're silent just

To hear yourself Do you want what I want?  
Desire not a thing  
I hunger after independence  
Lengthen freedom's ring Doesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I say Independence limited  
Freedom of choice is made for you my friend  
Freedom of speech is words that they will bend  
Freedom no longer frees you Doesn't matter what you see  
Or into it what you read  
You can do it your own way  
If it's done just how I say
