Six Feet Under (Aire Atlantica Remix)

Billie Eilish

Help, I lost myself again
But I remember you
Don't come back, at home and well
But I wish you told me toOur love is six feet under
I can't help but wonder
If our grave was water, by the rain
Would roses bloom?
Could roses bloom?
Again
We trace my lips
You raise your touch
You talk too much for me
But all well like smoking air
How can you die carelessly?Our love is six feet under
I can't help but wonder
If our grave was water, by the rain
Would roses bloom?
Could roses bloom?
AgainThey're playing our song
They're letting us die tonight
And all of these clouds pulling us back to life
It's cool as the night
Six feet under
I can't help but wonder
If our grave was water, by the rain
Uuh uuh uuh
Uuh uuh uuh
Again
Help, I lost myself again
But I remember you
