Bust dat, bust dat pussy open... den I tell her bring it back
I'm a beast up in dese sheets it's like sumthin ya neva had

Drop it down low n bring it back up to my intersection
I wanna feel ya inner section penetrate my innersection
Bend ova, wiggle it, wobble it girl I'm luvvin it
U jus keep on doin ya thang and I'm a start dougin ya
Beat dat pussy up like it's sum cake mix
Gon suck a nigga dick quit all dat fake shyt
I ain't got no patience bitch
Been wantin to beat for bout a week
And put dis meat up on ya teeth
I know u a freak so let me see everything dat u can be
Put dis dick so far up in ya baby ull be *weak in da* knees
I like to toss her with my piece while sippin drank and smokin weed
U can pop an xtasy, well take ya ass to ecstasy
One in ya mouf, one in ya back
Tappin ass like piano keys
One bitch tried to handle me
Met her down on miami beach
Pussy like a cameltoe, ass shake like a georgia peach
Pop me a stamina or a x and bammed on dat freak

I don't kno wat she was thinkin, I kno wat I wanna see

Bust dat pussy open... den I tell her bring it back
Bust dat, bust dat pussy open... den I tell her bring it back
Bust dat, bust dat pussy open... den I tell her bring it back
Bust dat, bust dat pussy open
Bust dat, bust dat pussy open
Bust dat, bust dat pussy open... den I tell her bring it back
Bust dat, bust dat pussy open... den I tell her bring it back
Bust dat, bust dat pussy open... den I tell her bring it back
I'm a beast up in dese sheets it's like sumthin ya neva had
