

# Upon the north

## Eliza And The Bear

Oh with nothing to see  
Oh with no air to breathe  
We set our sights on the north  
The fields, the lakes, the rivers running old  
And I won't let you down  
Your heart pumps blood through me now  
So I say! I spend summers away  
Hiding in rivers and lakes  
I spend summers away  
Hiding
