

Leave It All to Me (Theme from iCarly)

Miranda Cosgrove

In five, four, three, two I know you see
Somehow the world will change for me
And be so wonderful Live life, breathe air
I know somehow we're gonna get there
And feel so wonderful I will make you change your mind
These things happen all the time
And it's all real
I'm telling you just how I feel So wake up the members of my nation,
It's your time to be
There's no chance unless you take one every time
Just see the brighter side of every situation,
Some things are meant to be
So give me your best and leave the rest to me I know it's time
To raise the hand and draw the line
And be so wonderful Golden sunshine
I know somehow it's gonna be mine
And be so wonderful Show me what you can become
There's a dream in everyone
And it's all real
I'm telling you just how I feel So wake up the members of my nation,
It's your time to be
There's no chance unless you take one every time
Just see the brighter side of every situation,
Some things are meant to be
So give me your best and leave the rest to me Leave it all to me
(Leave it all to me)
So make it right (Maybe your right) and see it through
(you gotta) know you won't be free until you So wake up the members of my nation,
It's your time to be
There's no chance unless you take one every time
Just see the brighter side of every situation,
Some things are meant to be
So give me your best and leave the rest to me Leave it all to me
(Leave it all to me)
Leave it all to me
Just leave it all to me
