Flagstaff

Atlas Sound

Sign all today
Sing all today
We cam we paid
And then we went away
And we wanna stay
A while caught with .
And the . left
To the ground so thick
Over ground
Is such a good sound
It changes the way I hear
The way I feel
The way I feel
. in the . epileptic
We came we saw
We . our chores
We paid again
Went away and then
. so dark
I had to . but you dont try
You
