

Don't You (Forget About Me)

New Found Glory

Hey, hey, hey, hey
Ooh, oh Won't you come see about me?
I'll be alone dancing, you know it, baby
Tell me your troubles and doubts
Giving me everything inside and out And love's strange, so real in the dark
Think of the tender things that we were working on
Slow change may pull us apart
When the light gets into your heart baby Don't you forget about me
Don't, don't, don't, don't
Don't you forget about me Will you stand above me
Look my way, never love me?
Rain keeps falling, rain keeps falling
Down, down, down Will you recognize me
Call my name or walk on by?
Rain keeps falling, rain keeps falling
Down, down, down, down Hey, hey, hey, hey
Ooh, oh Don't you try and pretend
It's my feeling, we'll win in the end
I won't harm you or touch your defenses
Vanity and security Don't you forget about me
I'll be alone dancing, you know it baby
Going to take you apart
I'll put us back together at heart, baby Don't you forget about me
Don't, don't, don't, don't
Don't you forget about me As you walk on by
Will you call my name
And will you walk away? Or will you walk away?
Will you walk on by?
Come on, call my name
Will you all my name? I say
La, la, la
La, la, la
La, la, la Oh, will you walk away?
