

Maybe

[k.d. lang](#)

Maybe I am crazy
Maybe I'm confused
Maybe I've misconstrued
Maybe be I love you Maybe I am dreaming
Maybe I am doomed
Maybe I'm destitute
Maybe I love you Oh, maybe I'll ask
Or no maybe I won't
Oh, it could be disaster
No, maybe it won't Maybe if I do
It may be
That maybe you
Love me too Maybe I've misconstrued
Maybe I love you Oh, maybe I'll ask
Or no maybe I won't
Oh, it could be disaster
No, maybe it won't
