Don't look at me as  
Your only regret what you don't see  
You know more than i  
So think for me  
Think what your notAh ah ah ahLove substitute for the  
Never knew who you were  
Half your life has been explained  
You want the other halfAh ah ah ahDon't look at me as though I'm not here  
Your only regret what you don't see  
Half my life has been explained
