Take a Chance

Ratt

Big deal, that's how you do it, hey
Good luck and that's enough, yeah
First take, it's never too late
Cause I've been through it
Why don't we take a chance?Hard times, it's alright
And you know that I've been through it
Mistakes, we all have made them
'Cause I've been through it
Why don't we take a chance?Over and over
Over and over againYou might get lucky (take a chance)
Forget the rough times (take a chance)
We'll have to get it straight
'Cause I've been through it
Why don't we take a chance?Cheap thrills, that's how you use it, hey
So hot like it or not, yeah
Too much, I'm on the rocks
'Cause I've been through it
Why don't we take a chance?Over and over
Over and over againYou might get lucky (take a chance)
Forget the rough times (take a chance)
We'll have to get it straight
'Cause I've been through it
Why don't we take a chance?You might get lucky (take a chance)
Forget the rough times (take a chance)
We'll have to get it straight
'Cause I've been through it
Why don't we take a chance?Hey, hey, heyCheap thrills, that's how you use it
So hot like it or notHey, hey, heyOver and over
Over and overHey, hey, heyYou feel that's how you do it
Good luck, that's enoughOver and over
Over and over
