

# Keep Movin

## Sounddoctrine

Chorus:

I gotta keep movin, up and down this life

I gotta keep movin, leave the past behind

And do all it should be done, to live my life and have some fun

Life is how you make it, so take it Rap1:

Now I see ya still movin, while Im groovin, Once again Im back in the house, Im improovin,

To let you know, let you real somethin good

But not this, see you wish you could

Gotta lay the past behind, whats on my mind, Its the rime shinin, clinin, Im pporing on a way to the top

With CBK-style with the club hiphop

I bring it back, put it down the line

I stop and come on the top of the dine

Did you think I was gone all for real?

But youre going full, with the rap appeal, Now here it comes stronger much harder

Where black and go, much started

I cant stop, nigga come Pop! Drop!

Gotta keep movin! Chorus x 2 I gotta keep movin, up and down this life Rap2:

I gotta keep movin, while you snoozin

Its the club style mix, Im here to proove it

Now recognize the M to the M P, The P is for POP, and I dont stop

And I cant be stopped now immitade it

So watch out, yeah, ya still hacned

Its the digness with the mystery

Now watch out and go, see I peep this

I still standing on the eastcoast level

Im still diggin deep, and Im remaining the shevel

Now I keep going try to face that

Still ponding powerful commercial track, jack

Gotta bring it to you nice and slow

On the carpet C, it is my time to glow

I stay away to long, its beeting my chest like King Kong Chorus x 2 I gotta keep, I gotta keep, I gotta keep on  
movin

I gotta keep, I gotta keep, I gotta keep on movin Bridge:

Its 1999 yall, and we still represent C-BLOCK

We just tryin to let you know, Life is what you make it

So leave the past behind, cause thats the way its done, So keep movin! Chorus x 2 I gotta keep movin, up and  
down this life
