

Currency Of Love

Silversun Pickups

Read between the lies of homespun advice
Nothing that you say, let's carry on hereSeething day to day, Its not possible to fray
View it coming anyway, Please carry on hereLet's redesign the goings on, Hey optimism anyone?We believe
the currency of love
We believe the virgin falls in love
Care free the beat'll pass it on,
Please believe the currency of loveWatch your vital signs, Complete the no holds guy
Now you won't be advised, let's carry on hereResupply ok fine, baby you're right
so much more than I can take
please carry on hereLet's redesign the goings on
Hey optimism anyone?We believe the currency of love
We believe the virgin falls in love
Care free the beat'll pass it on,
Please believe the currency of loveEntertain you
Rearrange you
Forever claim youIts demanding
Not understanding
But everlastingLet it soothe you
Creep into you
And all that moves youCause you're seeking
Cause you're needing
So start believingWe believe the currency of love
We believe the virgin falls in love
Care free the beat'll pass it on,
Please believe the currency of love
