

Saving My Face (Live At the Wiltern)

[KT Tunstall](#)

See the look on my face,
From staying too long in one place
And everytime I try to leave
I find I keep on stalling Feel like a big old stone
Standing by a strength of my own
But everytime the morning breaks
I know I'm closer to falling I'm all out of luck
I'm all out of faith
I would give everything just for one taste
But everything's here all out of place
Losing my memory
Saving my face
Saving my face
Saving my face
I'm saving my face I'm listening to what you say
Even though I look the other way
But you could never understand
The feeling of what I'm needing I'm all out of luck
I'm all out of faith
I would give anything just for a taste
But everything's here all out of place
Losing my memory and
Saving my face Saving my face
Ooh yeah yeah etc etc
Saving my face Give it all to me
I will do the right thing
Baby I'll be everything I need
Leave it all to me
I will do the right thing
Baby I'll be everything I need
Give it all to em
I will do the right thing
I will do the right thing I'm all out of luck
I'm all out of faith
I would give anything just for a taste
But everything's here all out of place
Losing my memory and
Losing the best of me
I'm all out of luck

I'm all out of faith
I would give everything just for a taste
But everything's here all out of place
Losing my memory and saving my face
Saving my face
Saving my face
Saving my face
Saving my face
Saving my face
