

Brandenburg

Beirut

Send me now, the winter's over
A light turns out, the winds are colder
The love we've had will turn all over
Going south and we are older
On the one tightrope you walked down
On a night like this you all turn around
No but I, I won't hold you anymore
No and I, I can't have you anymore
And some days we're all alone
On the banks of the rhine
And some days all we had
The salt in the sea
?
And some days we're all alone
On the banks of the rhine
