

# Hit Me Up

Gia Farrell

Baby baby, just a lil' bit  
Baby baby, just a lil' more  
Baby baby, let me see ya  
Walk to me, talk to me, hear me right I did cause a commotion  
I can't help but make a scene  
I ain't looking for something  
Permanent to get at me If you want that, you can keep that  
Tell you what it's going to be  
You better step up your game  
Before you can step to me Didn't you see me walking through the door?  
Maybe I should turn it up a little bit more  
I can't help but be responsible  
For what the girls hate and the boys adore Say hey, what's it gonna be tonight?  
Come hit me up, come hit me up  
Say hey, you comin' with me tonight  
Come hit me up, come hit me up Say hey, we'll be running all lights  
Come hit me up, come hit me up  
I know you feel it 'cause you checkin' my body  
Come hit me up, come hit me up Baby baby, just a lil' bit  
Baby baby, just a lil' more  
Baby baby, let me see ya  
Walk to me, talk to me, hear me right I'll be walkin', jaws all be droppin'  
It's so electrified  
Don't mean to intimidate  
Don't mean to make you lose your mind If you want this, work your focus  
Show me that've you got, what's right  
You better make an impression  
Make another try Didn't you see me walking through the door?  
Maybe I should turn it up a little bit more  
I can't help but be responsible  
For what the girls hate and the boys adore Say hey, what's it gonna be tonight?  
Come hit me up, come hit me up  
Say hey, you comin' with me tonight  
Come hit me up, come hit me up Say hey, we'll be running all lights  
Come hit me up, come hit me up  
I know you feel it 'cause you checkin' my body  
Come hit me up come hit me up Baby baby, just a lil' bit  
Baby baby, just a lil' more  
Baby baby, let me see ya

Walk to me, talk to me, hear me right  
Say hey, what's it gonna be tonight?  
Come hit me up, come hit me up  
Say hey, you comin' with me tonight  
Come hit me up, come hit me up  
Say hey, we'll be running all lights  
Come hit me up, come hit me up  
I know you feel it 'cause you checkin' my body  
Come hit me up come hit me up  
Say hey, what's it gonna be tonight?  
Come hit me up, come hit me up  
Say hey, you comin' with me tonight  
Come hit me up, come hit me up  
Say hey, we'll be running all lights  
Come hit me up, come hit me up  
I know you feel it 'cause you checkin' my body  
Come hit me up come hit me up  
Baby baby, just a lil' bit  
Baby baby, just a lil' more  
Baby baby, let me see ya  
Walk to me, talk to me, hear me right  
Baby baby, just a lil' bit  
Baby baby, just a lil' more  
Baby baby, let me see ya  
Walk to me, talk to me, hear me right
