

Kom Igen (ft. USO, ADL & Salah Edin)

Outlandish

Try to learn every single ayat
So my soul in front of Allah, gon? be smelling good
To that moment I be definitely making my move
In it for the money? Nah man, I?m in it for the truth
Ain?t about any gold or the ice
Sneaks and close is just part of the hype
MTV sucks big time
Cribs and bling - get a real life
But wow ? take a minut or 2
Why we spending so much money man that we don?t have boo
Every tiny detail, we gotta have kid!
Every kind of device to make us look rich
Hollywood, magazines, videos
Escaping anything & anyone away we go
In it sickening enough that we don?t really care
In it sickening of that we don?t wanna share
Wish for my brother what a wish for my self
Try to love the world less, put my ego to rest
?get rich or die tryin?? who ever said it was poor
don?t they ever gon? learn from the farao in goldKom Igen Kom Igen
Kom igen du min elskede ven
Kom Igen Kom Igen
Kom igen du min elskede ven
Wish for my brother what a wish for my self
Try to love the world less, put my ego to restHey hvorfor er det lige du tror du kender mig
A shabi rasi hrakni
SÃ¥ jeg venter bare pÃ¥ du kommer med en kommentar
Nogen burde sku bare klap i
For der er mange som der misforstÃ¥r, nÃ¥r vi gÃ¥r
Render rundt og tror vi alle bistand fÃ¥r
YO hold lige
Kan vi ikke fÃ¥ nogle argumenter med noget hold i
SÃ¥ mÃ¥ i heller komme igen med noget bedre
For jeg ser det mange steder
LÃ¥ser osse om det nÃ¥r jeg sidder, og tjekker det pÃ¥ tv men jeg gider ikke sige hvad de hedder
Og de allerede ved at forberede nye ting
Siger det kun fordi jeg kan vÃ¥re det bekendt
Og de er allerede ved at forberede syge ting
I mÃ¥ heller kom med et bedre argument

Og jeg sidder og læser avisen, tænker hvorfor skriver de
 Nogle ting om og om igen
 For i denne verden som vi lever i
 Må vi heller? bare kom igen Kom Igen Kom Igen
 Kom igen du min elskede ven
 Kom Igen Kom Igen
 Kom igen du min elskede ven
 Wish for my brother what a wish for my self
 Try to love the world less, put my ego to rest Moro get this Moro get that
 Break your ego coz we don't need that M-R en medio O
 O termina MORO ohhh Que no te atrape la locura del dinero
 Vender unidades solo ser un pesetero
 Si no me gusta lo que hago y lo gozo
 Si me muero de amargura no hay negocio
 En cuanto a como hay que hacerlo todos tienen comentarios
 Si no sabes a donde vas regresa pa? saber de donde vienes
 En lo oscuro el alma es lo único que tienes
 Ojos que no ven Corazón que nunca siente?
 El juego comienza su trampa en tu mente Who's gonna put this demon on hold
 A to the DL to cold
 These days your ego's too bold
 Eating diamonds and gold
 I got a nooz and a lasso right here
 I got a whip that'll hit you right there
 It's time to rush with no fear
 It's time to crush and prepare
 Follow the leader but the leader is a jerk
 That's him in the corner with a smirk
 He's a devil and he's making me work
 I used to be calm until I went bezerk..... Kom Igen Kom Igen
 Kom igen du min elskede ven
 Kom Igen Kom Igen
 Kom igen du min elskede ven
 Wish for my brother what a wish for my self
 Try to love the world less, put my ego to rest Ek dafa tu yaha a ke dekh
 Kuch lamhe tu bhi zara sah ke dekh
 Kabhi apni aan or shaan ko rakh ker bande raah ja
 Dard ho ga sahna
 Door ho ga rahna
 To bole mere naina
 Kiya kehna hai
 Inke bare me
 Jo peete hai ghareeb ka khoon paseena
 Dekhe hai aise meh ne beshoomar
 Udh kehya hai is duniya se mera ehtebaar

Come on
Kidar jaye ka kidar haad pehlai ka
Kabhi na kabhi tu us ke samne girgiry ka
Tobaa tu kare ka to ho ki teri qabool
Mafii teri mane rakhe ki hoga maqbool
Tere pass hi aye ke hum
Tera sivar or kidar ja sake ke hum
Karr de karam take mera reh jaye baram
Jana hai door tera noor manzil hai koh-hi toor Koli ya Ibaddalah
shal mena baqi gasoem
I msiw fiha
Moeta dahya
Ken soefoe rwina
Ktila, honsoria
Hbebna eichin f tamara
Bleh mekla, bleh hoqoq
El qalb mahrok ma bqasi
Ki doq
Ken soef el fok oen soef fe sma
Tleb men allah I hfadna m'nar
Ma Tiqsi b'zahr. Tiqa f allah
Dagla djell gna ma ket shres
B'dinar, dollar, euro, tasi maqdar
Hedi hial agbar men maqbar
Allah oe Akbar
