

Please Don't Leave Me

KIDZ BOP Kids

I don't know if I can yell any louder
How many time have I kicked you outta here
Or said something insulting? I can be so mean when I wanna be
I am capable of really anything
I could break your heart in pieces but my heart is broken Please don't leave me, please don't leave me
I always say how I don't need you
But it's always gonna come right back to this
Please don't leave me How did I become so obnoxious?
What is it with you that make me act like this?
I've never been this nasty Can't you tell that this is all just a contest?
The one that wins will be the one that work the hardest
But baby I don't mean it, I mean it, I promise Please don't leave me, please don't leave me
I always say how I don't need you
But it's always gonna come right back to this
Please don't leave me I forgot to say out loud how beautiful you really are to me
I cannot be without, you're the perfect one I wanna see
And I need you, I'm sorry Please, please don't leave me
Baby, please don't leave me, please don't leave me
I always say how I don't need you
But it's always gonna come right back to this
Please don't leave me, please, please don't leave me
