(Right now)  
I'm bout to show you how it's done, you can  
(Shut down)  
Yo, my Uzi weights a ton, you can  
(Beat down)  
And you can pump it in your system till it  
(Blow out)

(Do this)  
Bringing drama and truth cause I don't  
(Play that)  
And I be reaping up cash since  
(Way back)  
Put your honey on my lap and make her  
(Heat up)  
Got her begging me to beat it up  
(Raw dog)  
Throw your wacky on the floor, straight  
(Kill that)  
Have her gargling nuts until I  
(Spill that)  
You better play like En Vogue and  
(Hold on)  
You wanna battle? Set it off baby  
(Come on)  
Come one, Come on, Come on[Chorus]  
Because my flavor's the best  
I get my hustle off all day  
Reck my block, knee all far  
I gotta hold it down wit my man  
Big up to my nigga E Love  
Keep the ill rims on the car  
I repped it, what more can I say, son

Farmers (What)  
Farmers (What)(Murder)  
Little niggas getting money on the  
(Hot block)  
He got the chrome shit spinning up on

(Go down)

(Sexy)  
Me and my team spending cream on the  
(Club scene)

On Performance Boulevard out in  
(Killa Queens)  
This joint knocked in the tunnel bout  
(One o'clock)  
They like them raw, not the watered down  
(Hip Hop)  
The broad money and alah zay it  
(Don't Stop)  
Niggas stumbling and falling off a  
(Head Ride)  
When I'm going to Bedshaw  
(Remember me)  
I'm the greast emcee there could  
(Ever be)  
You better call Def Jam, and tell 'em  
(Hold on)  
'Cause another major label told me  
(Come on)
