Grimes

My heart will never feel
Will never see
Will never know
Oh, heart
And then it falls
And then I fall
And then I knowMy heart will never feel
Will never see
Will never know
Oh, heart
And then it falls
And then I fall
And then I knowMy heart will never feel
Will never see
Will never know
Oh, heart
And then it falls
And then I fall
And then I knowMy
My
MyEverything, everything, everything (my)
Everything, everything, everythingHome and I know
Playing the deck above
It's always different
I am the one in loveHome and I know
Playing the deck above
It's always different
I am the one in loveHome and I know
Playing the deck above
It's always different
I am the one in loveHome and I know
Playing the deck above
It's always different

I am the one in loveMy heart will never feel
Will never see
Will never know
Oh, heart
And then it falls
And then I fall
And then I knowMy heart will never feel
Will never see
Will never know
Oh, heart
And then it falls
And then I fall
And then I knowEverything, everything, everything
Everything, everything, everythingHome and I know
Playing the deck above
It's always different
I am the one in loveHome and I know
Playing the deck above
It's always different
I am the one in loveHome and I know
Playing the deck above
It's always different
I am the one in loveHome and I know
Playing the deck above
It's always different
I am the one in love
