I Was Created For This

Tweet

So many times I tried to run away
I couldn't find rest cause there was no hiding place
And I heard a voice come up from deep within say
This is who I am, I no longer can pretendAnd I was created for this
(Eh) I was created for this
And I, yeah...created for thisSo different I know that I don't feel it
But I'm chosen and I believe that's what it is
In (?) the song for me to tell the story
And my life's poured out only for your glory (yeah)I was created for this
(Eh) I was created for thisI was created for this (yeah yeah yeah yeah)
I was created for this (yeah)I am persuaded
I'm gonna be all that you created me to be
I'm down in my mind, but least I'm here (?)
I'm gonna help someone along the way
Yeah!
Created for this
I was created for this
I was created for this
Oh, I was created for this
I was created
