

# She Lied To The Fbi

## Alkaline Trio

She lied, she lied to the FBI  
When she told them she was innocent of victimless crime  
Now I don't give a shit and I never dropped dime  
On my baby though she gave it to the FBI  
I lied, I lied to the FBI  
When I told them I did it  
To save her hide  
Told them that the plans for the heist was mine  
Now I'm stuck and I'm fucked doin' federal time  
Lie deep inside, I'm doin' time for you  
Just got the letter sayin' we are through  
And I don't give a damn if I get out again  
I'm doin' time for you  
She lied, she lied to the FBI  
When she told them she was innocent of victimless crime  
Now I don't give a shit and I never dropped dime  
On my baby though she gave it to the FBI  
I lied, I lied to the FBI  
When I told them I did it  
To save her hide  
Told them that the plans for the heist was mine  
Now I'm stuck and I'm fucked doin' federal time  
Lie deep inside, I'm doin' time for you  
Just got the letter sayin' we are through  
And I don't give a damn if I get out again  
I'm doin' time for you  
My mistake, I will take this secret with me to the grave  
And I hope and I pray I saw her face again one day  
My mistake, I will take this secret with me to the grave  
And I hope and I pray I saw her face again one day  
She lied, she lied to the FBI  
She lied to the FBI
