

# Hail the Madmen

## Wunder Wunder

Hail the madmen  
Help me get you off the street  
Hey there madmen  
You need some time off your feet  
Melody knows it. This single will quote it  
"I need these people off the street"  
But how many people know common day mingling  
Talk of crazy people town  
We all keep it nice. Move them into dine  
Call them by their name and we miss you  
There's no reason why we can't make the time  
We're moving brothers/mothers and we miss you  
And I know we got to work it out  
Hail the madmen  
Help me get you off the street  
Hey there madmen  
You need some time off your feet  
Summer care helps them  
This Cali' sun warms them  
We need these people off the street  
But how do I fill this  
This helpless day feeling  
I'll make a song with music and rhyme  
We all keep it nice. Move them into dine  
Call them by their name and we miss you  
There's no reason why we can't make the time  
We're moving brothers/mothers and we miss you  
And I know we got to work it out  
NA NA NA NA NA NA NA NA NA NA  
DOO DOO DOO DOO DAH DAH DAH DAH  
Hail the madmen  
Help me get you off the street  
Hey there madmen  
You need some time off your feet
