

Better Than This

[Kimberley Locke](#)

There's a shadow in my mind
That I'm tryin' to leave behind
But it can't get me down
There are clouds in the sky
Still, the sun is in my eyes
Whenever you're around It's all good, like I could
finally be the one who gets to win
It's so real, how I feel
Ever since I let you in Does it get any better than this?
We're into something beautiful
Bein' with you's as good as it gets
It doesn't get any better It's as if, the night is ours
I can see a billion stars
That were never there before
Like there's something in the air
I can feel it everywhere
I just want more and more It's all good, like I could
Fly up to the moon and back again
It's so real, how I feel
Never want it all to end Does it get any better than this?
We're into something beautiful
Bein' with you's as good as it gets
It doesn't get any better Standin' here in my shoes
I feel like I can't lose, no, not this time
Oh, the worst is in the past
We save the best for last when now I find
Everything is just fine, everything is just fine Does it get any better than this?
We're into something beautiful
Bein' with you's as good as it gets
It doesn't get any better than this No, no, no
Something beautiful as good as it gets
Baby, you and me it doesn't get any better
We're into something beautiful
