## **Silent Prayer**

## **Shanice**

Silent prayer I send to you my silent prayer Before I sleep at night I send to you my silent prayer Baby, so you'll be alright Every mornin' I think of you I just can't shake of my dreams, no no I read the paper and watch the news I don't know what it means When you do what you've got to do You must know that I'm there with you Every breath that I take, I hope and I pray Sweet, baby, baby be okay Silent prayer, silent prayer Silent prayer, silent prayer Silent prayer, silent prayer I send to you my silent prayer, oh yeah I hold a picture of a golden sunset, yeah And I'll take your hand, take my hand

We're gonna walk down that promised road Just like we planned, just like we planned 'Cause I know what I'm gonna do Just as soon as I'm back with you Every breath that I take, I hope and I pray Sweet baby, baby be okay Silent prayer, silent prayer Silent prayer, silent prayer Silent prayer, silent prayer I send to you my silent prayer I send to you my silent prayer I send to you my silent prayer, oh yeah I send to you my silent prayer, every hour My silent prayer Silent prayer, silent prayer Silent prayer, silent prayer Silent prayer, silent prayer I send to you my silent prayer, silent prayer Lyrics provided by <a href="https://damnlyrics.com/">https://damnlyrics.com/</a>
