Rejects

5 Seconds of Summer

Back at school they all thought I was an outcast, car crash
"A hopeless fool", they said to me
And my girlfriend said, I messed up, will I ever grow up?
In the end, I'm not gonnaWhat was I thinking?
Everyone sees it
It's not a secret
That I'm just a rejectSick of the system
Don't want to hear it
It's not a secret
That I'm just a reject
I'm just a rejectMy teacher said, I was mentally disabled, so unstable
So I'd stay in bed all day
Save your breath, you can talk at me but I'm not listening
If this is a test, then I'm probably failingWhat was I thinking?
Everyone sees it
It's not a secret
That I'm just a rejectSick of the system
Don't want to hear it
It's not a secret
That I'm just a rejectThey try to save me but I'm too far gone
And they call me crazy so I play along
And you want to change me but I'm on my own
La da da da da, da da da (x2)What was I thinking?
Everyone sees it
It's not a secretThat I'm just a reject
Sick of the system
Don't want to hear it
It's not a secret
That I'm just a reject
I'm just a reject (x2)
