

# I Don't Wanna Just Make Love

[Matt Kennon](#)

There's a question in your eyes,  
Wondering how far this goes.

And If the mornin light,  
Will bring another dead end road.

If the shadow of doubt's Hiding in your heart,  
Girl I want you to know

I don't wanna just make love,  
I wanna make a life with you.

I don't wanna just make love,  
I wanna make your dreams come true.

I wanna make a little go who's got your eyes,  
Make every minute count for the rest of our lives,  
wanna make a world,  
that turns around,  
the two of us

I don't wanna just make love  
(No) I don't wanna just make love

I don't wanna just touch your skin,  
I wanna touch your soul.

I don't wanna just have you tonight,  
I wanna have an to hold you

There's a beauty in you running deeper than the dark before the dawn.

I don't wanna just make love,  
I wanna make a life with you.

I don't wanna just make love,  
I wanna make your dreams come true.

I wanna make a little girl who's got your eyes, make every minute count for the rest of our lives.  
Wanna make a world,

That turns around,  
The two of us.

I donâ€™t wanna just make love!

[music interlude]

I wanna make a little girl whoâ€™s got your eyes, make every minute count for the rest of our lives.  
Gonna make a world,  
That revolves around,  
The three of us

I donâ€™t wanna just make love!

No.

I donâ€™t wanna just make love

I donâ€™t wanna just make love
