I'm Used to It

Radney Foster

Just an ordinary minute without you
But I'm used to it
Just the ordinary heartache I go through
But I'm used to itWhoever said time heals all wounds
Never had to lose someone like youMy heart is broken, my soul's in pieces too
But I'm used to it
Sometimes I feel so guilty for feeling the way I do
'Cause I'm still in love with you
But I'm getting used to it, I'm getting used to itEverybody's so proud of me
These days looks like I'm fine
I guess I've gotten use to itSome hero for dealing with the pain
Getting on with life
I guess I've gotten use to itI learned not to talk about you
'Cause they get tired of of hearing
'Bout the tears I cry without youBaby, my heart is broken, my soul's in pieces too
But I'm used to it
Sometimes I feel so guilty for feeling the way I do
'Cause I'm still in love with you
But I'm used to itMy heart is broken, my soul's in pieces too
But I'm used to it
Sometimes I feel so guilty for feeling the way I do
Still in love with you
But I'm used to itGettin' used to it
Oh, I'm used to it
My heart's in pieces too
Baby, I'm used to it
Oh yeah, used to itGettin' used to it
