True Romance (feat. Lilja Bloom)

Parov Stelar

I think that you know that I'm for sure beware of you
and I know that it's hard to belive in yourself.
And this time I got you know me better.
And I'm yours in any matter.
And this time I got you know me better.
That no one else can feel me deeper,
but I know that it's hard to belive in yourself.With you starting a new life of happiness.
You brought up the enemy myself.
Yes you are the one I love,
the one I know and never leave.
