

Un-break My Heart

Weezer

Don't leave me in all this pain
Don't leave me out in the rain
Come back and bring back my smile
Come and take this tears away
I need your arms to hold me now, the nights are so unkind
Bring back the nights when I held you beside meUn-break my heart
Say you'll love me again
Undo this hurt that you caused
When you walked out the door
And walked out of my life
Un-cry these tears
I've cried so many nights
Un-break my heartTake back that sad word goodbye
Bring back the joy to my life
Don't leave me here with these tears
Come and kiss this pain away
I can't forget the day you left
Time is so unkind
And life is so cruel without you here beside meUn-break my heart
Say you'll love me again
Undo this hurt that you caused
When you walked out the door
And walked out of my life
Un-cry these tears
I've cried so many nights
Un-break my heartDon't leave me in all this pain
Don't leave me out in the rain
Bring back the nights when I held you beside meUn-break my heart
Say you'll love me again
Undo this hurt that you caused
When you walked out the door
And walked out of my life
Un-cry these tears
I've cried so many, many nights
Un-break my---Un-break my heart, oh baby
Come back and say you love me
Un-break my heart, sweet darling
Without you I just can't go on(Say that you love me) x10
