

Go Your Own Way

Brie Larson

Loving you, isn't the right thing to do
How can I ever change things, that I feel
If I could, maybe I'd give you my world
How can I when you won't take it from me
You can go your own way, go your own way
You an call it another lonely day
You can go your own way, go your own way
Tell me why, everything turned around
Packing up, shacking up is all you wanna do
If I could, baby I'd give you my world
Open up, everything's waiting for you
You can go your own way, go your own way
You an call it another lonely day
You can go your own way, go your own way
