

Run Like An Antelope

Phish

Rye, Rye, Rocco

Marco Esquandolas

Been you to have any spike, man?

Run, run, run, run, run, run, run, run

Run, run, run, run, run, run, run, run

Run, run, run, run, run, run, run, run

Run, run, run, run

Run, run, run, run, run, run, run, run

Run, run, run, run, run, run, run, run

Run, run, run, run, run, run, run, run

Run, run, run, run

Run, run, run, run, run, run, run, run

Run, run, run, run, run, run, run, run

Run, run, run, run, run, run, run, run

Run, run, run, run

Run, run, run, run, run, run, run, run

(Set the gearshift for the high gear of your soul)

Run, run, run, run, run, run, run, run

Run, run, run, run, run, run, run, run

Run, run, run, run

Run, run, run, run, run, run, run, run

(You've got to run like an antelope out of control)

Run, run, run, run, run, run, run, run

Run, run, run, run, run, run, run, run

Run, run, run, run

You've got to run like an antelope out of control

Run like an antelope out of control

Run like an antelope out of control

Run like an antelope out of control
