

# Oh, No

## Shivaree

Oh, No I think I love you  
I think I love you  
I think I love you  
Oh no I think I want you  
I think I want you  
I think I want you  
Oh no I think I'll wreck you  
I think I'll wreck you  
I think I'll break you in two  
Oh no I think I'll eat you  
I think I'll eat you  
I think I'll eat you alive  
Oh no.
