Living In A Dream

[Arc Angels](#)

If you were mine
I'd give you all the world
If you were mine
I'd take you higher girl
But you got me waiting
Ooh, you're so cold
It kills me time
Ooh and time is all we need
But god knows I've tried, I've tried
To get you close to meBut tonight when my eyes are closing
You'll be with me[Chorus:]
Just let me be
And let me believe, you're mine
Cause there's nothin' wrong here
I'm just livin'
Livin' in a dreamWithout a sign
You brought me to my knees
Without a sign,
I crossed the line
I beg for sleepBut tonight when my eyes are closin'
You will be with me[Chorus]Just let me be
And let me believe, you're mine
Just let me be
And let me believe, you're mine
Cause there's nothin' wrong here
I'm just livin'
Livin' in a dream
