

# King Back

T.i.

And the prophecy read that  
One day like the Pheonix rose from the ashes  
That a boy will be born unto a family in the slums  
This boy will go on and use the knowledge that he gained  
While fighting for survival in the streets to become a great leader  
And in time that boy will grow to become KingTime to ride nigga  
(Just Blaze)I welcome you and get acquainted with the youngest in charge  
Respected from east to west like he was running the mob  
Dictating, ain't taking orders from no one but God  
I know you niggaz is broke 'cause I know what you chargeThem niggaz wishing for a Phantom it's one in my

And pardon me I'm giving you the west side story  
Of the A, where I stay and niggaz stay down for meYou want to play? Have you gay niggaz lay down for me  
And get a order for killers to spray rounds for me

Wishing to be in positions that you found that I'm in  
Since you niggaz do what it say I'm world renowned than sign meIf Jay handled the clay and around the time  
I delivered a bad day when 4 5's were spiraling  
I care the least about police and the fireman siren  
Ambulance ain't gon' stand a chance in revivingDOA amend the beef will cease upon my arriving  
Paramedics yell clear and your flat line silent  
You ain't ready for out here 'cause the lifestyle violent

Your mummies mad, get your ass wiped out like Thailand  
Hit my phone and got what left and hit the three while you following  
You say you want to release and go to war with the finest  
Need you be reminded, want it with your highness?  
The king back, nigga the king back  
You better lean back, nigga the king back  
The king back, nigga the king back, [Incomprehensible]  
Nigga the king back  
Ay man look I know y'all niggaz still in the trap everyday  
Still man I know y'all don't see nothing but the projects nothing but grits  
But listen, make no mother fucking mistake man

And come see 'bout niggaz you understand  
But I don't want to do that 'cause I respect that shit y'all doing
