

# Let The Wind Blow

## Beach Boys

Let the wind blow  
Let the grass grow  
But don't let her go  
Don't take her out of my life  
Don't take her out of my life  
Let the moon glow  
(Let the moon glow)  
On the fallen snow  
(Let the moon glow)  
(On the fallen snow)  
But I just got to know  
(Let me please know)  
Know she'll be a part of my life  
Know she'll be a part of my life, forever  
Let the bees make honey  
Let the poor find money

Take away their sorrows  
Give them sunshine tomorrow  
But don't take her out of my life  
Don't take her out of my life  
What would I do without her tell me now?  
Let the bird sing  
With the coming spring  
Let the church bells ring  
Let the rain fall  
Let the grass grow  
Let the moon glow  
On the fallen snow  
But don't take her out of my life  
Please keep her a part of my life
