# What You Want

## Evanescence

Do what you what you want, if you have a dream for better
Do what you what you want till you don't want it anymore
(remember who you really are)
Do what you what you want, your world's closing in on you now
(it isn't over)
Stand and face the unknown
(got to remember who you really are)
Every heart in my hands like a pale reflection
Hello, hello remember me?
I'm everything you can't control
Somewhere beyond the pain there must be a way to believe
we can break through
Do what you what you want, you don't have to lay your life down
(it isn't over)
Do what you what you want till you find what you're looking for
(got to remember who you really are)
But every hour slipping by screams that I have failed you
Hello, hello remember me?
I'm everything you can't control

Somewhere beyond the pain there must be a way to believe
Hello, hello remember me?
I'm everything you can't control
Somewhere beyond the pain there must be a way to believe
There's still time
Close your eyes
Our love will guide you home
Tear down the walls and free your soul
Till we crash we're forever spiraling down, down, down, down
Hello, hello it's only me infecting everything you love
Somewhere beyond the pain there must be a way to believe
Hello, hello remember me?
I'm everything you can't control
Somewhere beyond the pain there must be a way to learn forgiveness
Hello, hello remember me I'm everything you can't control
Somewhere beyond the pain there must be a way to believe
we can break through.
Remember who you really are
Do what you what you want
