SIX TIMES DEAD

Primal Fear

Yes we're alive, with seven lives
Not forever 'cause forever is a lieNot crucified keep your coffin nails
All these obvious lies have failedWe don't know
What you've been told
We will show youSixteen six all over this world
Sixteen six it's true what you've heard
Six times dead and we're back on the track againSixteen six all over this world
We're back from hell by a sixth rebirth
Breakin' them bones and sticks
With sixteen sixNo sacrament, no sacrilege
Has brought us back from this awful placeOne more minute, control the pain
Hear you breath and go entirely insaneWe don't know
What you've been told
We will show youSixteen six all over this world
Sixteen six it's true what you've heard
Six times dead and we're back on the track againSixteen six all over this world
We're back from hell by a sixth rebirth
Breakin' them bones and sticks
With sixteen six
