

These Colours Don't Run (2015 Remastered Version)

Iron Maiden

It's the same in every country
When you say you're leaving
Left behind the loved ones
Waiting silent in the hall
Where you're going lies adventure
Others only dream of
Red and green light this is real
And so you go to war For the passion, for the glory
For the memories for the money
You're a soldier, for your country
What's the difference, all the same Far away from the land of our birth
We fly a flag in some foreign earth
We sailed away like our fathers before
These colors don't run, from cold bloody war There is no one that will save you
Going down in flames
No surrender certain death you
Look it in the eye
On the shores tyranny you
Crashed a human wave
Paying for my freedom with your
Lonely unmarked graves For the passion, for the glory
For the memories for the money
You're a soldier, for your country
What's the difference, all the same Far away from the land of our birth
We fly a flag in some foreign earth
We sailed away like our fathers before
These colors don't run, from cold bloody war
