

I Gotta Be

Jagged Edge

Don't wanna make a scene
I really don't care if people stare at us
Sometimes I think I'm dreamin'
I pinch myself just to see if I'm awake or not
Is it real, what I feel?
Could it be you and me 'till the end of time
Never part, take my heart
Hold it tight, it's true love
You know I gotta be the one you touch
Baby, I gotta be the one you love
I gotta be the one you feel
And I gotta be the one to fill your life with sunshine
I gotta be the one you know
'Cause I will always love you so
I gotta be the one you need
I'm just telling you that I gotta be
I picture you and me
Starting a life together, we couldn't be
We'll take this vow to love one another
Make this thing a reality, oh
Is it real, what I feel?
Could it be you and me 'till the end of time
Never part, take my heart
Hold it tight, it's true love
I gotta be the one you touch
Baby, I gotta be the one you love
I gotta be the one you feel
And I gotta be the one to fill your life with sunshine
I gotta be the one you know
'Cause I will always love you so
I gotta be the one you need
I'm just telling you that I gotta be
You make me whole
You make me right
Don't ever wanna think
About you leaving my life
