Still Laughing

Living Phantoms

Come take a look
Because all this could mean, that I
Don't really care
Who ends up gettin' hurtPlease take a look
If it's judgment versus instinct
How do I feel
When my feelings don't even work?You know that I'll believe
'Cause I can see it in your smile
Time stood still for me
When you calledSaid I, answer me this
Yes, all I have is questions
You can't slip away
And hide behind a false truthTime takes too long
Just seems like
I'm still standin' here now
And I can't even feel
The rain that hits my shoesYou know that I'll believe
'Cause I can see it in your eyes
Time stood still for me
When you calledI'm still waitin', I still bleed
That's a sign that I'm still me
I'm still breathin', I can see
So I must be alive for realWhen will I get there?
I should be here by now
Got it all worked out
Did I see you laughin'?
Yeah, funny, it's not meIn time
All I want is in away
Gone too long
And now it's gone, it's goneI'm still waitin', I still bleed
That's a sign that I'm still me
I'm still breathin', I can see
So I must be alive for realSo I must be alive for real
Yeah, I must be alive for real
I must be alive for real
