Over The Top

Hammerlord

Shoot, shoot, shoot, heyDon't be unkind
I'm out of my mind and I'm telling you
It's not that I'm bad
I'm totally mad, I'm a loser, tooI'm certain
I must be a burden
Completely
Over the top, over the topDon't know what it means
All I hear is screams and I don't know whose
The nightmare's for real
I got a raw deal, it's all bad newsI swear it
I can't bear it
Completely
Over the top, over the topYou know, it's no lie
My main alibi, it's a waste of time
You know it's the truth
The lyrics' the proof but at least it rhymesYou can't harm me
'Cause I'm balmy
Completely
Over the top, over the top
