

# Hang Your Head in Shame

Ferlin Husky

Don't your conscience ever bother you every time you hear my name  
Well you should go somewhere hide your face and hang your head in shame  
Yes someone came along and took my place and you gave me all the blame  
You should go somewhere and hide your little face and hang your head in shame  
Yes someone came along and took my place and you gave me all the blame  
Oh you should go somewhere and hide your little face and hang your head in shame  
And hang your head in shame
