Midnight At The Oasis

Olstead, Renee

Midnight at the oasis
Send your camel to bed
Shadows paintin' our faces
Traces of romance in our heads
Heaven's holdin' a half moon
Shinin' just for us
Let's slip off to a sand dune, real soon
And kick up a little dust
Come on, Cactus is our friend
He'll point out the way
Come on till the evenin' ends
Till the evenin' ends
You don't have to answer
No, there's no need to speak
I'll be your only dancer, prancer
And you can be my sheik

I know your Daddy's a sultan
A nomad known to all
With fifty girls to attend him, they all send him
Jump at his beck and call
Come on, Cactus is our friend
He'll point out the way
Come on till the evenin' ends
Till the evenin' ends
Midnight at the oasis
Send your camel to bed, back to bed
Shadows paintin' our faces
Traces of romance in our heads
Come on, come on, come on
