

All of Us

Devo

I left home with a friend of mine
Gone two years and I don't know why
Now, I'm happy all the time
I don't think and I'm feelin' fine I got feelings but they don't show
Don't ask me 'cause I don't know
No, no, no, no, no, all of us, all of us, all of us Think you're heard this all before
Now, you're gonna hear some more
I know a place where dreams are crushed
Hopes are smashed but that ain't much All you stupids anyway, we're all gonna die some day
Yeah, yeah, yeah, yeah, yeah, all of us, all of us
All of us, all of us, all of us, all of us Me leave home with booji boy
Teeth fall out of China doll
Poo-poo man got jiffy-snipped
Bad girl laughing floppy tits Listen, listen, me no lie, we like stuff what makes us cry
Why? Why? Why? Why? All of us, all of us, all of us
All of us, all of us, all of us, all of us
