Better Get Up

Exit 159

better get up and face my day
could have been a little warmer
yeah, you said it'd be okay
if I could stay a little longer
and I don't know how I can leave you
I just want to stay
but I gotta get away
yeah, I wanna see the sunshine
hey and I just wanna play
yeah I wanna hit the big time
why do you always cry
when I go
why do you always cry
when I go
I don't know how I can leave you
lay your blanket over my head
(you see why I can't leave you know I wanna)
try to remember all that you said
(you see why I can't leave you know I wanna)
lay your blanket over my head
(you see why I can't leave you know I wanna)
try to remember all that you said
(you see why I can't leave you know I wanna)
try to remember all that you said
I don't know how I can leave
I just want to stay
