

# Better Get Up

## Exit 159

better get up and face my day  
could have been a little warmer  
    yeah, you said it'd be okay  
    if I could stay a little longer  
and I don't know how I can leave you  
    I just want to stay  
    but I gotta get away  
    yeah, I wanna see the sunshine  
    hey and I just wanna play  
    yeah I wanna hit the big time  
    why do you always cry  
        when I go  
    why do you always cry  
        when I go  
I don't know how I can leave you  
    lay your blanket over my head  
(you see why I can't leave you know I wanna)  
    try to remember all that you said  
(you see why I can't leave you know I wanna)  
    lay your blanket over my head  
(you see why I can't leave you know I wanna)  
    try to remember all that you said  
(you see why I can't leave you know I wanna)  
    try to remember all that you said  
I don't know how I can leave  
    I just want to stay
