

# The Horses (Remastered)

[Daryl Braithwaite](#)

We will fly, way up high  
Where the cold wind blows  
Or in the sun laughing having fun  
With the people that she knows  
And if the situation should keep us separated  
You know the world won't fall apart  
And you will free the beautiful bird  
That's caught inside your heart  
Can't you hear her?  
Oh, she cries so loud  
Casts her wild note over water and cloud That's the way it's gonna be, little darlin'  
We'll be riding on the horses, yeah  
Way up in the sky, little darlin'  
And if you fall I'll pick you up, pick you up You will grow and until you go  
I'll be right there by your side  
And even then whisper the wind  
And she will carry up your ride  
I hear all the people of the world  
In one bird's lonely cry  
See them trying every way they know how  
To make their spirit fly  
Can't you see him?  
He's down on the ground  
He has a broken wing looking all around That's the way it's gonna be, little darlin'  
You go riding on the horses, yeah  
Way up in the sky, little darlin'  
And if you fall I'll pick you up, pick you up That's the way it's gonna be, little darlin'  
You go riding on the horses, yeah  
Way up in the sky, little darlin'  
And if you fall I'll pick you up, pick you up That's the way it's gonna be, little darlin'  
You go riding on the horses, yeah  
Way up in the sky, little darlin'  
And if you fall I'll pick you up, pick you up That's the way it's gonna be, little darlin'  
You go riding on the horses, yeah  
Way up in the sky, little darlin'  
And if you fall I'll pick you up, pick you up That's the way it's gonna be, little darlin'  
You go riding on the horses, yeah  
Way up in the sky, little darlin'

And if you fall I'll pick you up, pick you up
