

Lighthouse

[Nicky Romero](#)

First light breaks the morning sky
Chasing the sunrise
We'll fly across the horizon
Sail away We drifted out to nowhere
Set out with hopes and dreams
And if you're lost in darkness
Turn to me Keep breathing, I can be your lighthouse
If you need it, I can be your lighthouse
Keep breathing, I can be your lighthouse
If you need it, I can be your lighthouse Whoa whoa whoa
I can be your lighthouse
Whoa whoa whoa I can be your lighthouse
I can be your lighthouse
I can be your lighthouse Let's cruise time to discover how
Just sway with the waves we found
Gone with the wind
So far away
When rocks are underneath us,
Washed up in stormy seas
Don't let it bring you worry
Turn to me Keep breathing, I can be your lighthouse
If you need it, I can be your lighthouse
Keep breathing, I can be your lighthouse
If you need it, I can be your lighthouse Whoa whoa whoa
I can be your lighthouse
Whoa whoa whoa I can be your lighthouse
I can be your lighthouse
I can be your lighthouse
