

# To Turn You On

## John Shanks

I could show you in a word if I wanted to  
A window on a world with a lovely view  
From close up inside a single room  
With an open book aside, like you read in schoolIt's so easy, believe me  
When you need fun  
I do anything to turn you on  
Anything to turn you onIs it raining in New York on Fifth Avenue?  
And off Broadway after dark, love the lights, don't you  
I could walk you through the park  
If you're feeling blue or whatever  
Spring, summer, whenever, winter through fallI'd do anything to turn you on  
Anything to turn you onI would leave you as you were if I wanted to  
Then I wonder, is it fair now you're on your own  
Who cares about you except me?  
God help me when things go wrongI do anything to turn  
You must phone me, you know me  
When things go wrong  
I do anything to turn you on
