Sitting Still

R.E.M.

This name I got we all agreed
See could stop, stop it will rid
We could bind it in the cist
We could gather, throw a fit
Up to buy, Katie buys a kitchen size, but not Mae Ann
Setting trap for love, making a waste a time, sitting still
I'm the sign and you can read
I'm the sign and you're not deaf
We could bind it in the cist
We could gather, throw a fit
Up to buy, Katie buys a kitchen size, but not Mae Ann
Setting trap for love, making a waste a time, sitting still
I can hear you, I can hear you, I can hear you
This name I got we all agree
See could stop, stop it will rid
We could bind it in the cist
We could gather, throw a fit
Up to buy, Katie buys a kitchen size, but not Mae Ann
Setting trap for love, making a waste a time, sitting still
I can hear you, I can hear you, I can hear you
You can gather when I talk, talk until you're blue
You could get away from me, get away from me
I'm up to buy, Katie buys a kitchen size, but not Mae Ann
Setting trap for love, making a waste a time, sitting still
I can hear you, I can hear you, I can hear you
I can hear you, I can hear you, I can hear you
Can you hear me?
